

## Searching the Scripture

Pastor Richard Adair  
2006 pages 1-8

All notes are the teachings of scheduled church services. Encouraging audio tapes are available. Titles, **ordered by key words**, head references that readily anchor your soul in bible study. Tapes capture the pastor's comments and instill confidence that faith is released to receive from our Lord and find the true joy. **What is out of character is contrasted by showing the opposite.**

References are abbreviated book names, chapter #, and verse #, as e.g. Revel 1:3 (Revelation chapter 1, and 3<sup>rd</sup> verse). "Blessed is he that reads...". Our website address is:
